

Beautiful, Beautiful

Music by Arne Oit – Lyrics by Philip Cody

Just because you're beautiful
You make love seem so possible
(It's) Wonderful to find myself here Close to you
Beautiful is how I'm feeling
Tooooh ooh!

Never knew such happiness
It's all good and oh so blessed
Who'd have guessed that love could make me Feel so strange
Beautiful is such a welcomed
Cha-a-ange!

Woke up this morning feeling beautiful
Look at us now
Living life in a brand new world
With you beside me
It's all beautiful ,
Beautiful Everything is beautiful All because of you

All my cares are laughable Weather simply incredible
(It's) Wonderful to find myself here Close to you
(Cause) Beautiful is how I'm feeling Too..... ooh ooh!

Woke up this morning feeling beautiful
Look at us now
Living life in a brand new world
With you beside me
It's all beautiful ,
Beautiful Everything is beautiful All because of you

Woke up this morning feeling beautiful
Look at us now
Living life in a brand new world
With you beside me
It's all beautiful ,
Beautiful Everything is
beautiful All because of
Beautiful Everything is
beautiful All because of you:)
