

„ OLD LOVE SONGS „ Music by Evald Vain - Lyric by Philip Cody

Happily, ever after  
After the tears and laughter  
We had our fill of  
Sorrowful and blue  
Still we keep on keepin on . . .

You don't have to stay forever  
Just let me know you better  
Tell me you love me  
And I will love you too  
Just like in those old love songs

Old familiar  
Magical moments  
Sweet memories  
For the hopelessly romantic  
Words and music  
Bring us together  
Promise the world  
And "I love you forever"

I love a happy ending  
No, dear, I'm not pretending  
Meeting by moon glow  
Always will belong  
Just like in those old love songs
