

## „The World To Me“

Music by : Evald Vain - English lyric by: Allan Dennis Rich

You knew that we had something special  
Something you can always count upon  
But that don't mean that it'll last forever  
Cause it's over now, but that doesn't make it wrong

You took a heart that was so broken up  
You found the key and now my heart's so opened up  
And you did it with such care, and so lovingly  
That why you'll always mean "The World To Me" .

I can't be sad, cause sometimes that's the way it goes.  
In this life there are no guarantees  
But if there is one thing you can be sure of  
It's that you'll always mean "The World To Me".

You took a heart that was so broken up  
You found the key and now my heart's so opened up.  
A sweeter someone there will never be .  
That's why you'll always mean "The World To Me".

One last kiss before you go and say goodbye  
And walk away for all eternity  
But there'll never come a day that I'll forget you

You will always mean

You will always mean  
You will always mean "The World To Me".
